JANUARY 2010

**DRIVER'S MEETING - JANUARY 10, 2010
HOLIDAY INN
1011 BLOOR STREET EAST
OSHAWA, ONTARIO**

TIME: 11:00 A.M.

REGISTRATION WILL START AT 10:30 A.M.

Well, its that time again. The 2010 racing season will be on us before we know it. After having so many rain outs last year, we are hoping for better weather for 2010.

The registration this year is the same as last, \$200.00, which includes 2 Banquet tickets. Registration will increase by \$25.00 on March the 1st. 6 or less registration will be \$50.00 and \$100.00 for a team car.

Due to the lack of numbers, we have been forced to drop the Modified class for 2010. However, we have left the door open to run specials for the Mods if they can amalgamate with the cars from other tracks to gather a larger field of vehicles.

The rules for the Late Models and the 6 or Less have very few changes if any. The Sportsman class rules have been changed to reflect the things we tried last year to even out the class.

Please plan to attend this meeting and bring any questions or suggestions you may have.

As in the past, please spread the word of our meeting and if possible bring your support people and crew on Jan. 10, 2010.

See you on the 10th.

Brian Bassett.
